

College Park Village Association Scholarship School Year 2018-2019

Thanks to the generosity of our community and countless volunteer man hours from our residents, The College Park Village Association will award two \$750.00 scholarships for the 2018-2019 school year. The scholarships will be awarded to students who reside in the Village of College Park.

Scholarships will be based on academic excellence, artistic or athletic talent, participation in extracurricular activities, community service, financial need or other factors.

Special interest will be given to applicants with community service such as involvement in non-profit organizations, membership in local or area clubs or chapters, member of groups whose activities benefit the community, or providing individual volunteer service to benefit our community. Individual interviews with applicants may be held to assist the scholarship committee in their final selection.

The winners and their Career Counselor will be notified in May prior to the student's school Senior Awards Night. The scholarship check will be mailed directly to the school in which the applicant enrolls during the summer. Should the winning applicant fail to enroll in a school of advanced studies within a reasonable length of time, after careful deliberation of the committee the scholarship may be revoked and awarded to an alternate applicant.

REQUIREMENTS

Applicant must be a current resident of the Village of College Park and a graduating senior (12th grade). Applications must be submitted to the College and Career Counselor at the student's school.

College Park Village Association Scholarship
