Spring Poolooza—set for May 20. Johanne Stanley indicates that preparation is going as planned and that we need all “hands on deck” on the event day. #### Other Village Business

Ted Stanley informs the board that the TWGreen Annual meeting is set for 6/5/2017 and invites all to attend.

With the absence of Mike Larson, little discussion occurs on the Village Website agenda item, expect that Ted Stanley reports that Jennifer Robinson continues to make improvements and we will discuss in greater detail at a future meeting.

No “Other Business” came before the board.

Under the final Residents Comments agenda item, Joel Barnes reports that he received a letter from The Woodlands Township stating that he must file an application for a home business. Joel informs the board that he has no home business and that there must be a mistake or the letter’s content is intended for the previous homeowner at that address—who did have a home business. Ted Stanley offers to discuss this letter and the situation at the next RDRC meeting.

There being no further business of this board, the president adjourns the meeting at 8:09 pm.

Respectfully submitted by Ted Stanley
